This exploded view diagram illustrates the assembly of a mechanical component, likely a pump or valve. The parts are numbered 1 through 20. The assembly is shown in a disassembled state, with dashed lines indicating the alignment and sequence of assembly. Key components include a main housing (1), a central shaft (12), a piston or plunger (11), and a connecting rod (17). The diagram also shows various seals, gaskets, and fasteners (nuts, bolts, washers) that hold the assembly together. The word "CYLINDER" is labeled near part 18, indicating the location of the cylinder bore. The diagram is a technical drawing in a standard engineering style, using solid lines for the parts and dashed lines for the assembly path.
